Hi Lyndon- Look forward to seeing you tomorrow too! A bit perplexed by your e-mail. First, we simply can't imagine your clients don't know what McKesson Servall is. Have you checked with them? Two, you already have agreed to confidentiality. That was a condition precedent to our disclosure. Three, how about referring to the prices as "generally available market prices that reveal what b.s. the AWP's are"?

Best, JMC
